

FREE COMMUNITY WORKSHOP: CITY CYCLING

Learn the rules of the road and practice essential riding skills with a licensed cycling instructor.

Classes are open to bike riders of all ages (12+). Class content applies to both regular and e-bikes. This course will teach road rules, where to ride, general bike safety, and more, all with hands-on practice and a guided road ride. You will need a bicycle and helmet for this class. This is not a “learn-to-ride” class. Learn more on the registration page.
